Agriculture Tourism Map IR GUIDE TO AG-TIVITIES FOR THE WHOLE FAMIL

**ENJOY THIS** 

Whether you are touring the beautiful vistas throughout

Massachusetts or enjoying a day on our majestic seacoast, be sure your itinerary includes a stop at one of the many agritourism destinations along the way. We are very proud of the over 390 farm attractions that are open to the public, each offering interesting and educational activities that will create memorable experiences.

This Massachusetts Agriculture Tourism map helps you plan your trip by giving you a brief description of each farm destination. You must see them to fully appreciate all they have to offer! You also have the opportunity to visit state parks and other state recreational facilities.

Agritourism encompasses a variety of activities, including

farm tours, farm vacations, farm Bed & Breakfasts, hiking, nature study, cross-country skiing, picnics, hayrides, workshops, hunting and fishing, to name just a few. Don't miss out on the opportunities the Commonwealth has to offer, as well as the heritage and rich cultural experience when you visit a Massachusetts agriculture tourism
